

PRIORITY LIST - C. K. McCLATCHY ATHLETIC FACILITIES NEEDS

C.K. McClatchy High School has the largest student enrollment in the SCUSD, and is growing. It offers the largest number of competitive athletic teams and has more student athletes than any other high school in the district.

The campus also has the smallest footprint among district high schools with athletic facilities that are grossly outdated and in many cases unsafe to both athletes and spectators.

CKM Track after recent rain

Below is a prioritized list of needed improvements to the athletic facilities at C. K. McClatchy High School.

PROJECT PRIORITY	SHORT DESCRIPTION	Last Repair/ Replace	SAFETY ISSUES	Athletes Served	Teams Served	Use by School PE classes/#	Neighbor/ Comm. Use
1	<p>1.1 Install All Weather Sports Facility: Current Soccer field and track facility are very outdated and are in significant disrepair posing safety threat to athletes and other users. The facility will also be used for a football practice field. <i>In 16-17 CIF changes result in both Boys & Girls soccer shifting to Winter Season</i></p> <p>1.2 Provide adequate seating: Currently there is no seating for soccer or track facilities</p> <p>1.3 Provide Restrooms as part of Facility: No on-site restrooms are available other than in gym facility that is over ¼ mile from track/practice fields.</p> <p>1.4 Provide Adequate Athletic Storage: Sufficient secure space is not available to store teams' equipment.</p> <p>1.5 Provide Concession Facility: McClatchy has no concession facility for field sports</p>	1960's - Football field had minor leveling in 2007	<ul style="list-style-type: none"> ◆ Fields are uneven, compacted and damaged by rodents, all presenting danger of injury to students ◆ Track ring is an outdated concrete barrier which can cause significant injury ◆ Drainage issues often make track and field unusable ◆ Use by both teams in the winter season raises major safety concerns without an all-weather surface ◆ Lack of separation of spectators from field jeopardizes athlete safety ◆ Lack of ADA Compliance ◆ Unsafe practice conditions for student athletes ◆ Lack of privacy for assessing injuries or uniform or equipment changes ◆ Theft and damage results in use of less than standard equipment raising safety problems ◆ Raises safety concerns for spectators in hot weather and during extended contests 	300	8	Yes	Yes

PROJECT PRIORITY	SHORT DESCRIPTION	Last Repair/ Replace	SAFETY ISSUES	Athletes Served	Teams Served	Use by School PE classes/#	Neighbor/ Comm. Use
2	Repair & Resurface Tennis Courts & provide seating: Current courts are degrading because of age and underlying drainage issues. The Land Park Community heavily uses courts during non-school hours.	2000's	<ul style="list-style-type: none"> ◆ Cracks in tennis courts present a major safety risk to student athletes ◆ Significant community use raises liability concerns ◆ No seating is available for spectators and situation is unsafe and not ADA compliant 	80	2	Yes	Yes
3	Modernize Varsity Baseball Field: Reconfiguration, leveling and installation of backstop/fencing meeting current standards is necessary	1970's	<ul style="list-style-type: none"> ◆ Inadequate backstop/fencing presents significant danger to spectators and athletes practicing adjacent to baseball field ◆ Leveling and drainage problems creating unsafe playing conditions for baseball 	60	6	Yes	(1)
4	Modernize Varsity Softball Field: Current facility lacks shaded bleachers, appropriate backstop, batting cages, scoreboard, and fencing and secures dugouts. Field also needs leveling.	2004 (partial)	<ul style="list-style-type: none"> ◆ Athletes and fans are at risk because of current configuration ◆ Inability to secure dugouts results in health and safety issues from vagrants ◆ Unsafe playing conditions due to field condition 	60	2	Yes	(1)
5	Modernize Swim Pool Deck, Heating and Maintenance System: Current pool deck not to standard for starting blocks; system of integrated filters and boilers results in pool down time and high maintenance costs.	1978	<ul style="list-style-type: none"> ◆ Safety of swimmers at start line ◆ Automatic shut off of boilers when filter cleaning is necessary results in downtime & athletes practicing in unsafe cold water ◆ Current arrangement requires SCUSD staff to restart system after missed maintenance. 	100+	6	Yes	No
6	Repair cracked & broken blacktop: Current blacktop used for physical education classes has significant wear and uneven and cracked surface.	Unknown	<ul style="list-style-type: none"> ◆ Cracked blacktop has caused injury to students in physical education classes ◆ Liability issues raised from community use for pick-up basketball games 			Yes	Yes
7	Athletic Locker rooms for Female athletes: Current locker room arrangement does not include visitor's locker room. Visitors change in girls' restroom.	None	<ul style="list-style-type: none"> ◆ Situation raises significant for privacy and safety concerns ◆ Raises issues of Title IX Compliance ◆ Makes CKM less desirable location for tournaments 	60	4	No	No

PROJECT PRIORITY	SHORT DESCRIPTION	Last Repair/ Replace	SAFETY ISSUES	Athletes Served	Teams Served	Use by School PE classes/#	Neighbor/ Comm. Use
8	Modernize Gym Facility: The Newly renovated gym lacks several items: inadequate space for spectator entrance and snack bar; updated trainer's room and public restrooms within the facility.	Never	<ul style="list-style-type: none"> ♦ At popular basketball events, crowded entry raises security concerns ♦ Restrooms outside of facility pose additional security problems ♦ Trainer's room needs upgrades and additional safety considerations 	100+	8	Yes	Yes
